We’ve got a unique group that works hard, works smart, embraces change and helps people. At Marrick, we have the opportunity to help people every day in their time of need. It’s a big responsibility that we’re proud to carry.”

Marrick Medical, the healthcare industry leader in the funding and management of accident and third party liability claims, has again been selected by Inc. as one of the fastest growing private companies in America. This is the third consecutive year that Marrick has made the prestigious list.

The 2015 Inc. 5000 List identifies successful, privately-held companies with the largest revenue growth between 2011 and 2014. To qualify, companies had to generate minimum revenue of \$100,000 in 2011 and at least \$2 million in revenue in 2014.

With 2014 revenue of \$12.6 million, Marrick Medical experienced 121% revenue growth over the three-year period and joined the Inc. 5000 list at #2930 nationally.
